3. GENERAL ADMINISTRATION

3.1 The board met with the superintendent in a workshop style session to discuss the results of a public opinion survey and securing funding for facilities needs through a bond measure.

Mr. Tom Patras of EMC Research reported on the survey of Sierra Sands Unified School District voters conducted in January 2020. Key findings from the survey show that SSUSD is viewed positively by the local voters. While the majority perceive a need for additional funding for local schools, support for a bond measure for SSUSD is just above the threshold needed for passage in this poll and support does not increase as voters learn more about it. Support among key demographics, particularly parents, is not as strong as we have seen in other districts and many voters are reluctant to support new taxes. He concluded by reporting that while a bond measure for SSUSD appears feasible, it would be a challenge to pass in November 2020. An independently funded outreach campaign is recommended if the district moves forward with a measure to ensure voters are aware of the fiscal accountability features of a measure and the benefits to school maintenance, educational quality, and safety.

Mr. Matt Kolker of Government Financial Strategies reported on securing funding for facilities needs through a general obligation (GO) bond measure. He presented a brief review of general obligation bonds, GO bond election history and issuance portfolio, the status of the 2006 Bond Measure "A", and presented a pro forma bond financial plan for a November 2020 bond measure.

6. EDUCATIONAL ADMINISTRATION

6.1 Approval of Memorandum of Understanding between MHN Government Services LLC and Sierra Sands Unified School District

BACKGROUND INFORMATION: The Child and Youth Behavioral Military and Family Life Counseling (CYB-MFLC) Program contracts with MHN Government Service LLC, to provide counseling support to staff, parents, and with parental consent, children in military Child and Youth Programs (CYP) located on or near the installations, Department of Defense Education Activity (DoDEA) schools, local education agencies (LEA), Child Development Centers (CDCs), Youth Centers, National Military Family Association (NMFA) Operation Purple Camps, and DoDEA Child and Youth Programs (CYP) Enrichment Programs that operate during the summer months to support summer school, camps, and summer child and youth programs DoD-wide. CYB-MFLC counselors provide non-medical counseling support to military children and youth up to age 18 in groups or individually, and provide support on topics including but not limited to identifying feelings, problem-solving, bullying, conflict resolution, self-esteem, coping with deployment and reunification, transition and moving, sibling/parental relationships, managing anger, separation from parent(s), and divorce.

CURRENT CONSIDERATIONS: The NRSW School Liaison Officer (SLO), through a contract with MHN Government Services LLC, is proposing to provide the services of four CYB counselors to five schools in Sierra Sands Unified School District. Richmond, Murray Middle School, and Burroughs High School were selected to receive these services based on the number of students whose parents are on active duty in the military or who are employed by the Department of Defense. Las Flores Elementary and James Monroe Middle School will share one counselor. Counselors assigned to the CYB-MFLC program at China Lake, must have a minimum of a master's degree or a doctorate in a mental health-related field, and hold a California independent license. CYB counselors have experience working in a school setting. Support is provided to DoDEA and LEA public schools during the academic school year. A CYB counselor will support and augment the counseling programs in place at the schools to which they are assigned. These counselors provide non-medical support to eligible faculty, staff, parents, and children for needs including, but not limited to, school adjustment, deployment and reunion adjustments, and parent-child communications. They may observe, participate and engage in activities with children and youth, provide coaching, guidance, and support to staff and parents and model behavior management techniques for staff and parents. Parents must acknowledge, in writing, the availability of CYB-MFLC support and whether or not their child may receive assistance from a CYB counselor. Civilian children are not eligible to receive counseling by the CYB on a one-to-one basis. If the non-military connected youth are in a group setting with military-connected youth, the CYB shall support the group as a whole to include both the military-connected and nonmilitary-connected youth.

Participation in this program offers Sierra Sands Unified School District another way to collaborate in partnership with the Naval Air Weapons Station China Lake and to provide additional support to district students.

FINANCIAL IMPLICATIONS: There are no financial implications. These services will be provided at no cost to the district.

SUPERINTENDENT'S RECOMMENDATION: It is recommended that the board approve the Memorandum of Understanding between MHN Government Services LLC and the Sierra Sands Unified School District as presented.

- Successful processing of a criminal history background check and a FBI fingerprint check in accordance with California Education Code section 45125.1. MHNGS shall, at its own cost, require all current CYB Counselors and other employees, and those who are hired during the term of this MOU, who may enter any District facility at a time when students are present to submit their fingerprints to the California Department of Justice in accordance with all applicable Department of Justice requirements. MHNGS shall also ensure and certify that, while performing services pursuant to the terms of this MOU, no CYB Counselor or other employee will come in contact with or be near any School District student until such time as the Department of Justice has confirmed that the employee has not been convicted of a felony as described in Education Code section 45122.1. MHNGS shall also provide the School District with a list of all employees who have successfully completed the Department of Justice background check process and may perform services under this MOU to the School District and update said list, as needed, from time-to-time.

7. POLICY DEVELOPMENT AND REVIEW

7.1 Approval of Revisions to Administrative Regulation 4218, Dismissal/Suspension/
Disciplinary Action

BACKGROUND INFORMATION: The Assistant Superintendent of Human Resources has reviewed selected board policies and administrative regulations as a result of recommendations for revisions from the California School Boards Association (CSBA) policy service. All proposed policy and administrative regulation revisions reflect recent changes in applicable state and/or federal laws and regulations.

CURRENT CONSIDERATIONS: The administrative regulation was initially approved August 18, 1994. It is revised to reflect updates and consolidates the causes for disciplinary action and also adds the requirement to set a timeline by which the employee may request a hearing, which must be not less than five days after serving notice upon the employee. The section on "Compulsory Leave of Absence" expanded to define "mandatory" and "optional" leave of absence offenses and reflect requirements pertaining to extension of the leave and compensation during the leave.

FINANCIAL IMPLICATIONS: None.

SUPERINTENDENT'S RECOMMENDATION: Approve revisions to Administrative Regulation 4218, Dismissal/Suspension/Disciplinary Action as submitted.

17. Any other misconduct which is of such nature that it causes discredit or injury to the district or the employee's position

An employee shall not be suspended, disciplined, reassigned, transferred, dismissed, or otherwise retaliated against solely for acting to protect a student, or for refusing to infringe on a student's protected conduct, when that student is exercising free speech or press rights pursuant to Education Code 48907 or 48950. (Education Code 48907, 48950)

(cf. 5145.2 - Freedom of Speech/Expression)

No disciplinary action shall be taken for any cause which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district. (Education Code 45113)

(cf. 4216 - Probationary/Permanent Status)

Initiation and Notification of Charges

The Superintendent or designee shall provide notice to the employee of a recommendation for discipline, which includes the charges and materials upon which the recommendation is based. The notification shall identify an impartial district official ("Skelly officer") with whom the employee may meet at a specified time and place or to whom the employee may provide a written response to the recommendation of discipline. After meeting with the employee or considering any response from the employee, the Skelly officer shall recommend to the Superintendent or designee whether to proceed with the recommendation for discipline.

The Superintendent or designee shall file any final recommendation for a disciplinary action in writing with the Governing Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address.

The notice shall, in ordinary and concise language, inform the employee of the specific charge(s) or cause(s) for the disciplinary action, the specific acts and omissions upon which the action is based, and, if applicable, the district rule or regulation that the employee has allegedly violated. In addition, the notice shall include the employee's right to a hearing on

Dismissal/Suspension/Disciplinary Action

those charges, the time within which the hearing may be requested which shall be not less than five days after service of the notice to the employee, and a card or paper which the employee may sign and file to deny the charges and request a hearing. (Education Code 45113, 45116)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Request for Board Hearing

Within the time specified in the notice of the recommendation of disciplinary action, the employee may request a hearing on the charges by signing and filing the card or paper included with the notice. (Education Code 45113)

Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of the request for a hearing. The request shall be delivered to the office of the Superintendent or designee during normal work hours of that office. If mailed to the office of the Superintendent or designee, it must be received or postmarked no later than the time limit specified by the district. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any request for a hearing on the dismissal shall also constitute a request to hear the suspension order, and the necessity of the suspension order shall be an issue in the hearing.

Employment Status Pending a Hearing

A classified employee against whom a recommendation of disciplinary action has been issued shall remain on active duty status pending any hearing on the charges, unless the Superintendent or designee determines that the employee's continuance in active duty would present an unreasonable risk of harm to students, staff, or property. The Superintendent or designee may, in writing, order the employee immediately suspended from duty without pay and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance.

Compulsory Leave of Absence

Upon being informed by law enforcement that a classified employee has been charged with a "mandatory leave of absence offense," the Superintendent or designee shall immediately place the employee on a leave of absence. A mandatory leave of absence offense includes:

- 1. Any sex offense as defined in Education Code 44010***

Dismissal/Suspension/Disciplinary Action

- 2. *Violation or attempted violation of Penal Code 187 (murder or attempted murder)*
- 3. *Any offense involving the unlawful sale, use, or exchange to minors of controlled substances as listed in Health and Safety Code 11054, 11055, and 11056*

The Superintendent or designee may place on an immediate compulsory leave of absence a classified employee who is charged with an "optional leave of absence offense," defined as a controlled substance offense specified in Education Code 44011 and Health and Safety Code 11357-11361, 11363, 11364, and 11370.1 except as it relates to marijuana, mescaline, peyote, or tetrahydrocannabinols.

An employee's compulsory leave for a mandatory or optional leave of absence offense may extend for not more than 10 days after the entry of judgment in the criminal proceedings. However, the compulsory leave may be extended if the Board gives notice, within 10 days after the entry of judgment in the proceedings, that the employee will be dismissed within 30 days from the date of service of the notice unless the employee demands a hearing on the dismissal.

7. ~~Hearing Procedures~~

If the appeal is heard by the Board, it shall affirm, modify or revoke the recommended personnel action.~~

~~c. — If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in such form that it may be adopted by the Board as the decision in the case. 7. POLICY DEVELOPMENT AND REVIEW

7.2 Adoption of Board Policy 4033, Lactation Accommodation

BACKGROUND INFORMATION: The Assistant Superintendent of Human Resources has reviewed selected board policies and administrative regulations as a result of recommendations for revisions from the California School Boards Association (CSBA) policy service. This proposed board policy is a reflection of a new law for the district and for board consideration.

CURRENT CONSIDERATIONS: This new board policy reflects a new law (SB 142) which mandates districts to adopt policy that addresses an employee's right to request lactation accommodation, the process by which the employee makes the request, the district's obligation to respond to the request, and the employee's right to file a complaint with the Labor Commissioner alleging any violation of the right to lactation accommodation. The policy also reflects provisions of SB 142 requiring districts to provide a lactation room or location with prescribed features, prohibiting districts from discriminating or retaliating against an employee who exercises the right to lactation accommodation, and authorizing districts with fewer than 50 employees to seek an exemption from the requirement to provide lactation accommodation if the district demonstrates that the requirement poses an undue hardship.

FINANCIAL IMPLICATIONS: None.

SUPERINTENDENT'S RECOMMENDATION: Adopt Board Policy 4033, Lactation Accommodation as submitted.

Lactation Accommodation

The Governing Board recognizes the immediate and long-term health benefits of breastfeeding and desires to provide a supportive environment for any district employee to express milk for an infant child upon returning to work following the birth of the child. The Board prohibits discrimination, harassment, and/or retaliation against any district employee for seeking an accommodation to express breast milk for an infant child while at work.

(cf. 4030 - Nondiscrimination in Employment)

An employee shall notify the employee's supervisor or other appropriate personnel in advance of the intent to request an accommodation. The supervisor shall respond to the request and shall work with the employee to make arrangements. If needed, the supervisor shall address scheduling in order to ensure that the employee's essential job duties are covered during the break time.

Lactation accommodations shall be granted unless limited circumstances exist as specified in law. (Labor Code 1031, 1032; 29 USC 207)

Before a determination is made to deny lactation accommodations to an employee, the employee's supervisor shall consult with the Superintendent or designee. When lactation accommodations are denied, the Superintendent or designee shall document the options that were considered and the reasons for denying the accommodations.

The Superintendent or designee shall provide a written response to any employee who was denied the accommodation(s). (Labor Code 1034)

The district shall include this policy in its employee handbook or in any set of policies that the district makes available to employees. In addition, the Superintendent or designee shall distribute the policy to new employees upon hire and when an employee makes an inquiry about or requests parental leave. (Labor Code 1034)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Break Time and Location Requirements

The district shall provide a reasonable amount of break time to accommodate an employee each time the employee has a need to express breast milk for an infant child. (Labor Code 1030)

To the extent possible, any break time granted for lactation accommodation shall run concurrently with the break time already provided to the employee. Any additional break time used by a non-exempt employee for this purpose shall be unpaid. (Labor Code 1030; 29 USC

Lactation Accommodation

207)

The employee shall be provided the use of a private room or location, other than a bathroom, which may be the employee's work area or another location that is in close proximity to the employee's work area. The room or location provided shall meet the following requirements: (Labor Code 1031; 29 USC 207)

- 1. Is shielded from view and free from intrusion while the employee is expressing milk*
- 2. Is safe, clean, and free of hazardous materials, as defined in Labor Code 6382*
- 3. Contains a place to sit and a surface to place a breast pump and personal items*
- 4. Has access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump*
- 5. Has access to a sink with running water and a refrigerator or, if a refrigerator cannot be provided, another cooling device suitable for storing milk in close proximity to the employee's workspace*

If a multipurpose room is used for lactation, among other uses, the use of the room for lactation shall take precedence over other uses for the time it is in use for lactation purposes. (Labor Code 1031)

Dispute Resolution

An employee may file a complaint with the Labor Commissioner at the California Department of Industrial Relations for any alleged violation of Labor Code 1030-1034. (Labor Code 1034)

10. CONSTRUCTION ADMINISTRATION

10.1 Report to the Board: Construction Activities and Issues

BACKGROUND INFORMATION: The purpose of this item is to keep the board, administration, and especially the community informed as to the progress of the district's construction efforts.

CURRENT CONSIDERATIONS: Mr. Randy Coit, Director of Construction with Sierra Sands Unified School District, will provide an update on these activities.

FINANCIAL IMPLICATIONS: None.

SUPERINTENDENT'S RECOMMENDATION: This item is presented for informational purposes and no action is required.

11. BUSINESS ADMINISTRATION

11.1 Approval of Second Interim Report for Fiscal Year 2019-20

BACKGROUND INFORMATION: In accordance with the California Education Code 42130-42131, no later than 45 days after the close of each reporting period, the school district governing board shall approve the first interim financial report and certify in writing whether or not the school district is able to meet its financial obligations for the remainder of the fiscal year and, based on current projection, for subsequent fiscal years.

CURRENT CONSIDERATIONS: The purpose of the second interim report as stated above is to certify to the board and the public that the district will be able to meet its financial obligations for the current and next two years. It is also to discuss other important elements of the district financial picture, speak to changes in the budget, as well as mention factors influencing the changes and other items of interest pertaining to the financial condition of the district.

FINANCIAL IMPLICATIONS: In providing second interim summary data, the changes reflected in this report are as follows:

Of note in the unrestricted budget are:

Revenues:

- For 2nd Interim, we expect to experience a decrease in supplemental and concentration funding of approximately \$484K due to lower than anticipated unduplicated pupil count percentages.
- Other unrestricted revenues reflect receipt of prior year Medi-Cal Administrative Activity revenue, and a slight increase in other local revenue.

Expenditures:

- Salaries and Benefits are continuously being reviewed for accurate reporting which resulted in the decrease in Salaries and Benefits budgets reflected.
- Books and Supplies: A portion of the anticipated 2019-20 textbook adoption expense was shifted from the unrestricted budget to the restricted State Lottery: Instructional Materials budget. Other elements of expense have been realigned in anticipation of school site budget execution.

Of note in the restricted budget are:

Revenues:

- Increases in federal revenues reflect the new DoDEA Grant for Secondary Math Instruction, as well as adjustments in other federal resources associated with increased entitlements.
- Decreases in state revenues reflect adjustments associated with increased state Special Education apportionment, and an adjustment to CTEIG grant carryover.
- Increases in other state revenue reflects the receipt of Redevelopment Agency pass through funds that are not subject to LCFF calculations and are immediately transferred to Fund 40 for use in facilities projects.

Expenditures:

- Salaries and Benefits increases reflect the anticipated staffing for the new DoDEA Grant for Secondary Math Instruction as well as other restricted resources.
- An increase in Books and Supplies reflects the transfer in of anticipated textbook adoption in the restricted state lottery resource.
- Other elements of expense have been realigned in anticipation of school site budget execution.

Staff continues to monitor cash flow to ensure there is sufficient cash to meet all obligations. A temporary loan from Fund 17 Special Reserves has been posted this fiscal year.

One of the requirements in budget reporting is the ability to certify the fiscal solvency of the district for the current and two following out-years. The key to protecting fiscal flexibility and solvency in an uncertain environment includes maintaining adequate reserves to allow for unanticipated circumstances. The district anticipates remaining positive and fiscally solvent in 2019-20 and the out years, however, rising costs of salaries, benefits, and other areas of expense are starting to press the district's ability for maintaining the required 5% reserve in the general unrestricted fund.

Managing fiscal solvency while maintaining services to students with available financial resources continues to present challenges. As education funding flattens and we move deeper into the COLA only environment, increases in retirement expenses, greater focus on LCAP spending, and minimal funding through Prop 98 can make quick changes to

the district's financial status. It is important to consider the impact of proposed and potential changes, both fiscal and programmatic, and adapt accordingly. A careful review of current programs and the expenditures will be necessary, including the obligations connected to the supplemental and concentration grant funding as part of the LCFF.

In line with district practice, this report has been formulated in accordance with the guidelines provided by the California Department of Education, the Financial Crisis and Management Assistance Team, Kern County Superintendent of Schools, and School Services of California.

SUPERINTENDENT'S RECOMMENDATION: It is respectfully recommended that the Sierra Sands Unified School District Board of Trustees approve the 2019-20 Second Interim budget report as presented.

Budget Comparison Report
2019/2020 Second Interim**

- 1 The increase in Federal Revenues reflect the new DoDEA Grant for Secondary Math instruction as well as other adjustments in other federal resources associated with increased entitlements.
- 2 The decrease in State Revenues reflect adjustments to decrease CTEIG carryover and increase in State Special Education apportionment.
- 3 This reflects the receipt of RDA Funds not subject to LCFF calculations and are immediately transferred to Fund 40 for facilities projects.
- 4 Salaries and benefits reflect the adjustments related to the New DoDEA Grant for Secondary Math instruction as well as other restricted resources.
- 5 Books and supplies reflect an approximate ~\$700K reduction as a portion of the anticipated 2019/20 textbook adoption was shifted to the Restricted Lottery Textbook budget in addition to the realignment of site budgets based on expected use.
- 6 Services and Operating expenses reflect a decrease as budgets are adjusted to reflect the sites expected use.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

Analyze the status of other funds that may have negative fund balances at the end of the current fiscal year. If any other fund has a projected negative fund balance, prepare an interim report and multiyear projection for that fund. Explain plans for how and when the negative fund balance will be addressed.

S9A. Identification of Other Funds with Negative Ending Fund Balances

DATA ENTRY: Click the appropriate button in Item 1. If Yes, enter data in Item 2 and provide the reports referenced in Item 1.

1. Are any funds other than the general fund projected to have a negative fund balance at the end of the current fiscal year?

No

If Yes, prepare and submit to the reviewing agency a report of revenues, expenditures, and changes in fund balance (e.g., an interim fund report) and a multiyear projection report for each fund.

2. If Yes, identify each fund, by name and number, that is projected to have a negative ending fund balance for the current fiscal year. Provide reasons for the negative balance(s) and explain the plan for how and when the problem(s) will be corrected.

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review.

DATA ENTRY: Click the appropriate Yes or No button for items A2 through A9; Item A1 is automatically completed based on data from Criterion 9.

A1. Do cash flow projections show that the district will end the current fiscal year with a negative cash balance in the general fund? (Data from Criterion 9B-1, Cash Balance, are used to determine Yes or No)

A2. Is the system of personnel position control independent from the payroll system?

A3. Is enrollment decreasing in both the prior and current fiscal years?

A4. Are new charter schools operating in district boundaries that impact the district's enrollment, either in the prior or current fiscal year?

A5. Has the district entered into a bargaining agreement where any of the current or subsequent fiscal years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?

A6. Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?

A7. Is the district's financial system independent of the county office system?

A8. Does the district have any reports that indicate fiscal distress pursuant to Education Code Section 42127.6(a)? (If Yes, provide copies to the county office of education.)

A9. Have there been personnel changes in the superintendent or chief business official positions within the last 12 months?

When providing comments for additional fiscal indicators, please include the item number applicable to each comment.

This form is used to check maintenance of effort (MOE) for an LEA, whether the LEA is a member of a SELPA or is a single-LEA SELPA.

Per the federal Subsequent Years Rule, in order to determine the required level of effort, the LEA must look back to the last fiscal year in which the LEA maintained effort using the same method by which it is currently establishing the compliance standard. To meet the requirement of the Subsequent Years Rule, the LMC-I worksheet has been revised to make changes to sections 3.A.1, 3.A.2, 3.B.1, and 3.B.2. The revised sections allow the LEA to compare the 2019-20 projected expenditures to the most recent fiscal year the LEA met MOE using that method, which is the comparison year.

There are four methods that the LEA can use to demonstrate the compliance standard. They are (1) combined state and local expenditures; (2) combined state and local expenditures on a per capita basis; (3) local expenditures only; and (4) local expenditures only on a per capita basis.

The LEA is only required to pass one of the tests to meet the MOE requirement. However, the LEA is required to show results for all four methods.

SECTION 1 Exempt Reduction Under 34 CFR Section 300.204

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to combined state and local MOE standard, local only MOE standard, or both.

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
 - a. Has left the jurisdiction of the agency;
 - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or
 - c. No longer needs the program of special education.
4. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
5. The assumption of cost by the high cost fund operated by the SEA under 34 CFR Sec. 300.704(c).

Provide the condition number, if any, to be used in the calculation below:	<u>State and Local</u>	<u>Local Only</u>

SECTION 2

Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205)

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act (ESEA) of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].
