Empowering Parents & Transforming Youth

Throughout the course sessions parents will learn concrete, step by step solutions for raising children in today's complex society including:

- Guidelines for parents when they need a rule
- Improving student success
- Discovering how and when to negotiate with your children
- Enhancing sibling relationships
- How to use time-outs properly to gain substantial behavior change

For further questions contact: Briana Walters (760-499-1840) or Kevin Wythe (760-499-1690)
